OSHKOSH CONFERENCE & BORWA I & II CIRCUITS

The Western Diocese of ELCSA (Evangelical Lutheran Church in Southern Africa) has seven circuits, and our East Central Synod of Wisconsin of the ELCA has six Conferences. In order to create a direct match of Conference to Circuit both the Borwa I and Borwa II Circuits are matched with the Oshkosh Conference.

Both of these Circuits are more than 100 miles west of Johannesburg and in the southern part of the Western Diocese. Though this is a great agricultural area there are several larger cities in these two Circuits such as Lichtenburg, Mmbatho, and Mafikeng. These larger cities each have several parishes. Mafikeng in Borwa II is a city of around 50,000 and is the capital of the Northwest Province.

Borwa I has eleven parishes and Borwa II has fourteen parishes. The word "parish" is used since several congregations or preaching points are often grouped together in one parish and served by one pastor. In other Conferences two or more congregations are often matched with congregations that are in the same Parish. In Oshkosh Conference, with only two exceptions, each congregation is matched with a different Parish.
