

Companion Synod Matches

APPLETON CONFERENCE & TLHABANE CIRCUIT

The Western Diocese of ELCSA (Evangelical Lutheran Church in Southern Africa) has seven circuits, just like our East Central Synod of Wisconsin of the ELCA has six Conferences. Each circuit is matched with a conference. The Borwa I and Borwa II Circuits are both matched with the Oshkosh Conference.

The Appleton Conference is matched with the Tlhabane Circuit. This is similar to our Synod since the Diocesan Centre located in Rustenburg is in the Tlhabane Circuit just as our Synod office is located in the Appleton Conference.

In South Africa several congregations are often grouped into parishes. A parish is usually served by one pastor. The pastor leads worship at only one congregation on a Sunday with worship usually lasting two-five hours. Baptism and Communion are celebrated whenever the pastor is present. Elders lead the worship, liturgy and preaching, on the Sundays the pastor cannot be present. One Parish, with multiple congregations, may have several of our congregations matched with it.

In 2011 the Dean of the **TLHABANE CIRCUIT** was
